I'm happy to say that we were finally able to hold our second Speed show this month. Please make sure you read the newsletter as there were several changes made to some of the upcoming Speed show dates.

Another reminder that if you are going for year end awards, you need at least 15 volunteer hours, 7 of those must be completed within 3 months of joining PGHA. You can earn hours at the shows, by coming to the meetings or by volunteering to be on the banquet committee or fundraising committee. There are always plenty of opportunities to get in your hours. If you have any questions, please contact me or any of the other Directors.

If you are utilizing the grass arena during non-show days, please make sure you bring your own jump cups if you are planning to use the jumps. I have noticed, on several occasions, that people are not bringing jump cups and are positioning the jump standards and wedging the poles into the standards so they can jump them. Please share this information with your friends or anyone that you know is using these jumps. We are happy to leave the fences out for people to use but would like to prolong the life of these standards as long as possible.

I hope everyone had a Happy Hanukkah, Merry Christmas and has a safe and Happy New Year. I look forward to seeing you next year at the general membership meeting.

**Our next general membership meeting is Jan. 12, 2015**
